

DAL GIARDINO

Our house works with plates made from natural and very selected ingredients, bringing to the table the best that the world has to offer.

All our plates are prepared with different delicacies, such as Italian truffles, the legitimate Italian Mascarpone, Black and Red Angus cuts, legitimate cod Gadus Morhua. Our focaccia and sardella are made by hand, guaranteeing fresh and tasty products.

Dal Giardino is a typically Italian house created of the dream of gathering, in an extremely cozy atmosphere, a well-elaborated gastronomy and several wine labels from all the main wine producing regions of the world (visit our cellar!).

We wish you all to be very welcome and to enjoy the most of this experience.
